Devil May Care Duo

The Devil May Care Duo actively commissions and performs music. From coffee shops to concert halls, you will find us creating our special blend of devil, and may care. Currently we are planning a west coast tour with solo artist A Hundred Ghosts while recording our first album, The Living Room Sessions, in the Spring of 2011.

A big thank you to Anthony Burr, Caleb Herron, Nick Deyoe, and Steve Schick for all of their help with tonight's concert.
